**November 21st, 2017 #38 Re: Utility Sewer Connection Policy – Councillors**

BE IT RESOLVED that rural sewer line connection fees be established as follows: Standard sewer line connection approved by the Council of the RM of Dufferin within the RM of Dufferin boundaries be paid at full actual cost by the land owner.

FURTHER BE IT RESOLVED that a standard sewer connection provides 6": sewer line to the requested point of hook up.

Any oversized lines, or additional requirements will be charged to the customer at actual cost.

FURTHER BE IT RESOLVED a deposit of \$2,000 will be required prior to the installation of a service and the actual cost will be due and payable to the Rural Municipality of Dufferin within 30 days after the connection is completed. Any charges remaining unpaid after 30 days will be added to the tax roll.

FURTHER BE IT RESOLVED a one year service warranty is provided with the rural sewer line installation and after the expiration of one year any costs for rural sewer line repairs required on personal property and beyond the main line will be the financial responsibility of the property owner.

FURTHER BE IT RESOLVED The Rural Municipality of Dufferin reserves the right to inspect all sewer lines and connections on private property at any time.

FURTHER BE IT RESOLVED Any unauthorized connections made to the rural sewer line system will be charged two times the normal costs for service.

AND FURTHER BE IT RESOLVED that the Rural Municipality requires that all requests for new sewer lines are submitted in writing to the office no later than August 1<sup>st</sup> of the year they are requesting service.
