CARMAN COMMUNITY GARDEN

Carman Community Garden Guidelines and Rules

1. Plot rental fees are due before you begin gardening and should be submitted with registration form. Your assigned plot will remain “yours” from year to year unless fees are not paid or gardener requests a different, open plot
2. Gardeners are responsible to dispose of weeds and plant materials in designated areas, no material should be left on pathway.
3. Conserve water!! Use grass clippings, mulched leaves, straw or ?? to reduce water evaporation.
4. Be considerate of you neighbours, do not plant sprawling crops or tall ones that may interfere with your neighbour.
5. Each gardener is responsible to keep their plots neat, keeping weeds and insects under control. DO NOT spray on windy days
6. Do not “help” you neighbour unless asked to do so. Harvest only what you have grown in your assigned plot.
7. NO PETS allowed unless service animal.
8. NO large shrubs or trees, blueberry or raspberry bushes at this time.
9. NO GLASS
10. Plot cleaning deposits will be returned in fall after plot is cleaned and approved by garden committee.
11. Gardeners may line the borders of their plot as wished BUT must stay within the perimeter of the plot and not overtake pathways.
12. Children must be supervised at all times and not allowed to wander onto other plots.
13. NO SMOKING or burning of materials allowed in garden.
14. DO talk to your fellow gardener:)
15. DO share ideas, seed and harvest!
16. DO enjoy your time in the garden!

I have read the Community Garden Rules and understand that failure to meet the guidelines will result in loss of clean up deposit fees and/or garden privileges.
