

# Mosquito Fogging Schedule

Ground fogging of the Town and 3 km buffer zone, for the control of mosquitoes with Malathion ULV will commence THURSDAY evenings at 10:00 p.m. until FRIDAY morning ending at 6:00 a.m.

Fogging will be suspended on any scheduled day if: Temperature is below 12° Celsius; Rain; Wind stronger than 10 km/hour; or a Statutory Holiday.

If fogging is cancelled or suspended on any scheduled day, it will commence the following acceptable night.

**FOGGING WILL COMMENCE  
WHEN TRAP COUNT  
WARRANTS IT!**
