

CARMAN COMMUNITY GARDEN

Carman Community Garden Guidelines and Rules

1. Plot rental fees are due before you begin gardening and should be submitted with registration form. Your assigned plot will remain “yours” from year to year unless fees are not paid or gardener requests a different, open plot
2. Plot cleaning deposits will be returned in fall after plot is cleaned and approved by garden committee unless you are renewing your plot. If renewing existing plot no refund will be returned UNTIL you cancel your garden plot rental.
3. Gardeners are responsible to dispose of weeds and plant materials in designated areas, no material should be left on pathway.
4. Conserve water!! use grass clippings, mulched leaves, straw or ?? to reduce water evaporation.
5. Be considerate of your neighbours, do not plant sprawling crops or tall ones that may interfere with your neighbour.
6. Each gardener is responsible to keep their plots neat, keeping weeds and insects under control. DO NOT spray on windy days
7. NO WEED CONTROL is to be sprayed on plot or surrounding areas, this includes commercial or homemade formulas. This rule will be enforced and may lead to loss of garden privileges.
8. Do not “help” you neighbour unless asked to do so. Harvest only what you have grown in your assigned plot.
9. NO PETS allowed unless service animal.
10. NO large shrubs or trees, blueberry or raspberry bushes at this time.
11. NO GLASS
12. Remove all trash you bring in, there are no garbage containers at garden. Plastic or styrofoam must be taken home and gardeners need to ensure these do not end up in the compost piles.
13. Gardeners may line the borders of their plot as wished BUT must stay within the perimeter of the plot and not overtake pathways.
14. Children must be supervised at all times and not allowed to wander onto other plots.
15. NO SMOKING or burning of materials allowed in garden.
16. DO talk to your fellow gardener:)
17. DO share ideas, seed and harvest!
18. DO enjoy your time in the garden!

I have read the Community Garden Rules and understand that failure to meet the guidelines will result in loss of clean up deposit fees and/or garden privileges.
