

# Waste Not Want Not COMPOST

Welcome to the MWM compost program, instead of compostable household items making their way to the landfill we offer the environmentally friendly option of **COMPOSTING**. This combined with your trash and recycling services we have all your waste removal needs taken care of. In this pamphlet we will outline the acceptable and non-acceptable items for your new compost cart. Service days for Zone 1 & 2 are every Monday starting on April 5th and running until November 29th.
