We do strongly recommend signing up as this also gives us the ability to communicate with you if the service is delayed or moved to another day due to weather or road disruptions. You can access Re-collect by going to our website www.MWMEnviro.ca, scrolling down our homepage to where it says "Never Miss a Curbside Pick-up Again" enter your address or lane number (should auto populate your entire address) and hit search. You can print off a collection calendar for the current year and also sign up for a service reminder that will inform you of your collection days via your choice of email, text, phone or google calendar. Will there be enough room for all my trash in the cart?

For residents doing spring or fall cleaning, renovations, etc. **MWM** offers larger front-load and roll-off containers at very reasonable rates.

Check with your neighbour and if allowed place extra bags in their cart.

USING THE CARTS

- Loose trash should be bagged, this will keep loose trash from blowing onto street.
- Use plastic or paper bags of any size.
- Please don't pack trash in or exceed 250 pounds of waste.
- Only waste **INSIDE** the cart will be collected.
- Please notify us if your cart is damaged, stolen or vandalized.
- Pull the cart, don't push it - this will be much easier.
- Do not place hot ashes, construction debris, or hazardous waste such as oil, or paint cans in your cart.
- Please keep your cart clean and take care of it. Do not paint or write on the cart.
- Our carts are low maintenance, once a year please rinse the cart out.
